

models\Alert\insert

models\Alert\update

models\Alert\isForEveryone

```
graph LR; A[models\Alert\insert] --> C[models\Alert\isForEveryone]; B[models\Alert\update] --> C;
```

The diagram illustrates a relationship where two separate entities, 'models\Alert\insert' and 'models\Alert\update', both point to a single entity, 'models\Alert\isForEveryone'. The boxes for 'insert' and 'update' are white with black borders, while the box for 'isForEveryone' is gray with a black border. Blue arrows indicate the direction of the relationship from left to right.
