

models\Information  
\insert

models\Information  
\update

models\Information  
\getExpirationDate

```
graph LR; A[models\Information<br/>\insert] --> C[models\Information<br/>\getExpirationDate]; B[models\Information<br/>\update] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders. The top box contains the text 'models\Information' followed by '\insert' on a new line. The bottom box contains the text 'models\Information' followed by '\update' on a new line. On the right, there is a single gray box with a black border containing the text 'models\Information' followed by '\getExpirationDate' on a new line. Two blue arrows point from the right side of the top-left box to the left side of the gray box, and from the right side of the bottom-left box to the left side of the gray box.
