

models\Localisation
\insert

models\Localisation
\update

models\Localisation
\getUserId

```
graph LR; A[models\Localisation<br/>\insert] --> C[models\Localisation<br/>\getUserId]; B[models\Localisation<br/>\update] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders. The top box contains the text 'models\Localisation' followed by '\insert' on a new line. The bottom box contains the text 'models\Localisation' followed by '\update' on a new line. On the right, there is a single gray box with a black border containing the text 'models\Localisation' followed by '\getUserId' on a new line. Two blue arrows point from the right side of the top-left box to the left side of the gray box, and from the right side of the bottom-left box to the left side of the gray box.
